

What about the kids?

Presented by

Learning Strategies for Refugee Children

What about the kids?

Where will they
sleep tonight?

Where will
these kids
sleep?

Where is
“home”?

Is it down
this street?

Or maybe
this one.....

And
where will
she sleep?

Is this “home”?

Or is home
somewhere
here?

Or here?

Maybe she
can find it
here.

Home must be
some place here.

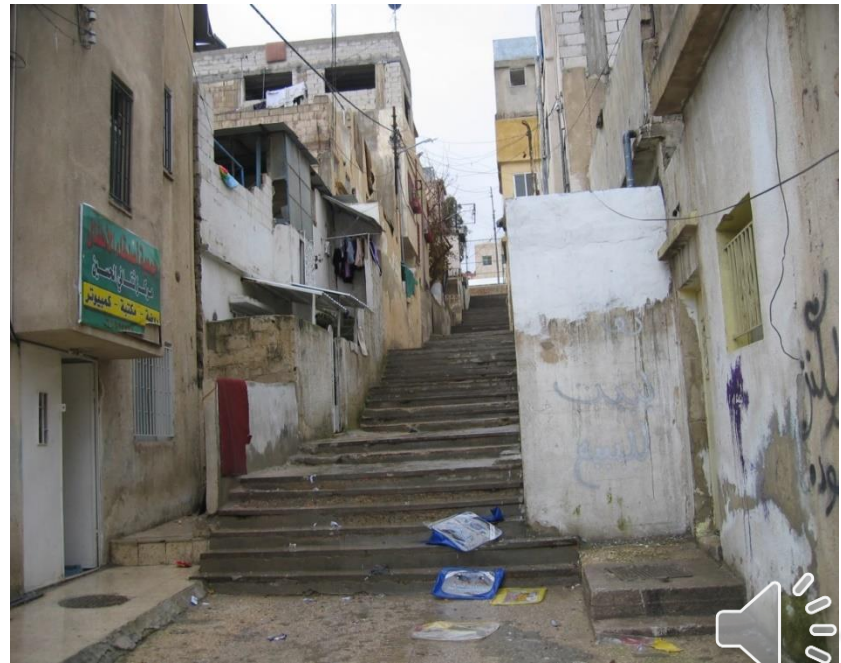

It may be picturesque –
but it's no way to live a life!

Climb these
steps to

his
"home"

These children
may or may not
live with their
families....
But they will all
need to sleep
somewhere.

Where will that
be?

**There are so many options
of places for refugee kids
to sleep –**

None of them good!

These
kids
need
us.....
